## **The 67<sup>th</sup> Bangkok Gems and Jewelry Fair opens with The sensational Networking Reception show**

Bangkok, 7 September 2022 – The Department of International Trade Promotion (DITP) and The Gem and Jewelry Institute of Thailand (GIT) jointly hosted the Networking Reception of the 67<sup>th</sup> Bangkok Gems and Jewelry Fair (BGJF) on 7<sup>th</sup> September 2022 at Royal Jubilee Ballroom, IMPACT Muang Thong Thani. The event was presided over by DITP Deputy Director General Mr. Nantapong Chiralerspong and GIT Director Mr. Sumed Prasongpongchai.

The Networking Reception is one of the 67<sup>th</sup> BGJF's highlight activities, aimed at creating a space for exhibitors and buyers to get together and expand their business opportunities and networks, in a bid to highlight Thailand's position as the regional hub of gems and jewelry trading. This sensational event was attended by ambassadors, country representatives, exhibitors, trade counselors from DITP's overseas offices, as well as VIPs from Thailand and international countries. The highlight of this event was the 'Wonder of Thai Jewels' show that portrayed the magic of Thai gems and jewelry making. The spectacle was the brain-child of Lamtharn Hantrakul or "Yaboi Hanoi", an award-winning cultural and creative technologist, with Kid Buak Sipp, a renowned performing arts troupe representing a new-generation of classical and modern Thai dance, working together with a team of transcultural artists and collaborators, and featured the jewelry presentation by models.
